## AMERICAN ARBORVITAE

*Little Tree Farms* has long been noted for growing some of the finest Arborvitae in this country. Our careful shearing during growth and frequent transplanting insures full, shapely, symmetrical tops and a big ball of thick roots, fitting the plants for absolute success.

Last Spring, *Little Tree Farms* Arborvitae sold in large quantities, and many of our customers came back for more. We are fortunate in having plenty of large sizes, 4 to 8 feet, which are adaptable for many types of ornamental planting.

We offer this year thousands of seedlings and small transplants which are ideal for growing on in the nursery. Vigorous and well rooted with thrifty tops.
